Life cycle of a butterfly

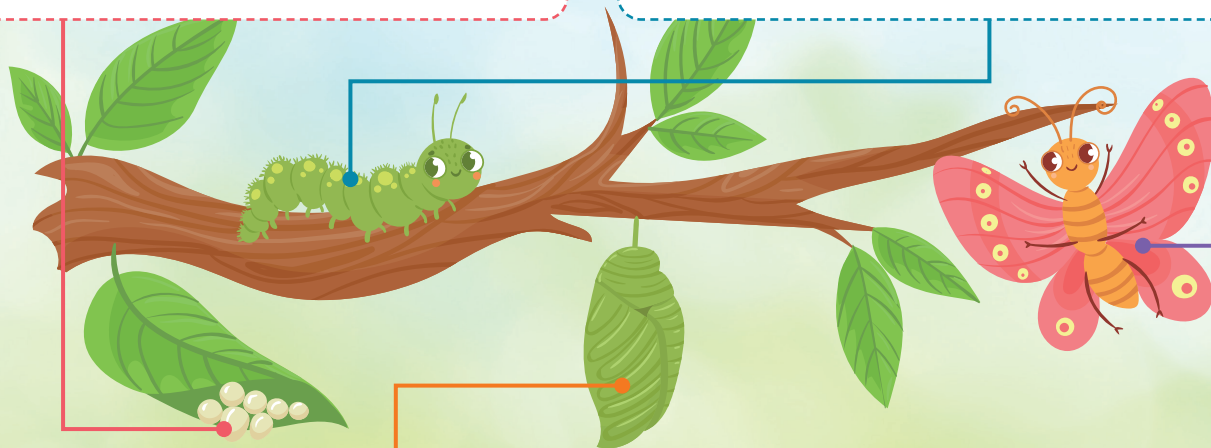

Butterflies are insects. They have colourful wings.

- 1 Butterflies lay **eggs** on leaves. The eggs are round and tiny.

- 2 **Caterpillars** hatch from the eggs. They eat leaves and get bigger and bigger.

- 3 Each caterpillar then becomes a **pupa**. The pupa is in its case. It turns into a butterfly.

- 4 A few weeks later, the case opens and a **butterfly** comes out. After a few hours, its wings grow strong and it can fly.

FUN FACT

Butterflies taste with their feet. They feed on nectar from flowers.

nectar

Circle ✓ or ✗. Then fill in the blanks.

- 1 Butterfly eggs are big.
- 2 A butterfly can't fly when it comes out from the case.
- 3 How does an egg turn into a butterfly?

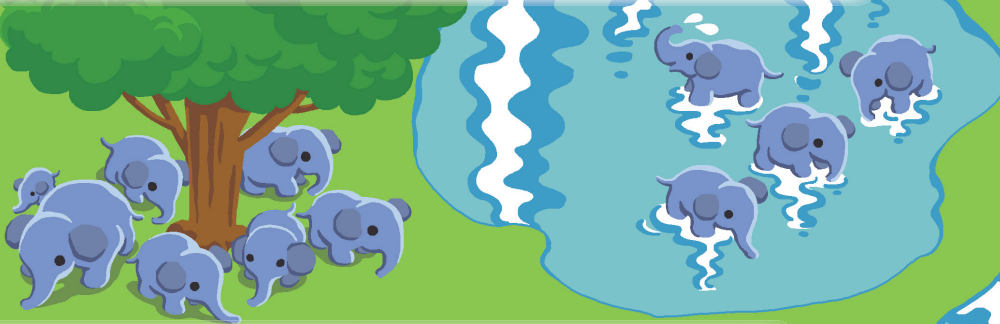

An egg → A _____ → A _____ → A butterfly

Do you think it is a good idea to catch butterflies? Why or why not?

A Day at the Zoo

1 It is Sunday. Leo is at the zoo with his parents.

Leo: Look at the elephants! They are big!

Mum: How many elephants are there?

Leo: There are four elephants in the pond. There are six elephants under the tree.

Mum: Look again. I can see eleven elephants.

Leo: Oh yes! There is a small elephant. It is behind a big elephant.

2 Now they are looking at some monkeys.

Mum: There are lots of monkeys!

Leo: Yes, there are fourteen monkeys here. They have very long tails!

Mum: Leo!

Leo: Don't feed the monkeys. Look at the sign.

Mum: I am sorry.

4 Later, they are at the Giant Panda House.

: I can't see any pandas. Where are they?

: There is a panda in the tree. It is big and fat. It has small ears. Can you see its black and white fur?

: Only one panda? Excuse me. How many pandas are there?

: There are three pandas. Look!

5

Our giant pandas

We have three giant pandas at our zoo. Ya Ya is the mother and Bao Bao is the father. Ling Ling is their cub. She is six months old. Giant pandas sleep a lot and they do not like noise. So please be quiet!

6

: Shh! Don't bang on the glass.

: Sorry!

Read the story again. Write and blacken ● the circles.

1 How many animals are there? Write the correct numbers in the boxes.

(a)

(b)

(c)

2 In Picture 3, Leo's mum says, 'Leo!' She is ____.

☐

A.

happy

☐

B.

angry

☐

C.

tired

3 Look at Picture 5: ... they do not like noise. 'Noise' means ____.

☐

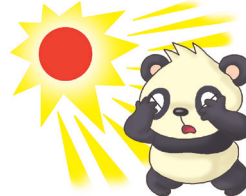

A.

☐

B.

☐

C.

Find the word 'noise'. Read the next sentence.

Answer the questions in complete sentences.

4 Where is the baby elephant?

The baby elephant is _____.

5 What is the name of the baby giant panda?

The name of the baby giant panda _____.

6 What do giant pandas do a lot every day?

They _____ every day.

Follow the rules

Law-abidingness

What rules are there at the zoo or the park? How do you feel when people don't follow the rules? Why?

Details of the zoo

Circle the best answers.

- 1 Perry is a ____ .
 A. penguin B. fish C. bird
- 2 Penny and Poppy ____ .
 A. are from Australia B. are babies C. sleep a lot
- 3 ____ is from China.
 A. Ruby B. Koko C. Perry

Task | Design a zoo and write about it

1 Read it!

Use a table to brainstorm ideas

Animal	How many?	Where?	Colour?
	13	5 – in the cage 8 – near the cage	orange + black
	16	under the tree	green
	14	near the rocks	yellow + brown
	11	5 – in the pond 6 – near the pond	grey

There are thirteen tigers.

There are five tigers in the cage.

There are eight tigers near the cage.

They are orange and black.

TIPS

Remember to use the correct verbs:

is / are + colour / adjective

has / have + body parts

2 Practise it!

Finish the writing below using the table on p.38.

You can also write
about their body parts.

Happy Zoo

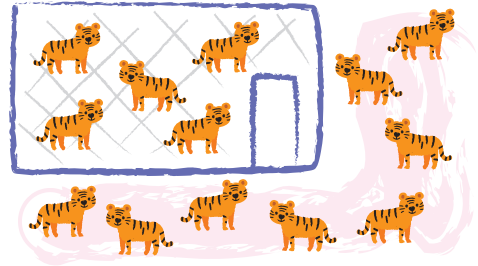

There are thirteen tigers.

There are five tigers in the cage.

There are eight tigers near the cage.

They are orange and black.

They have long tails.

How many?

There are _____ snakes.

Where?

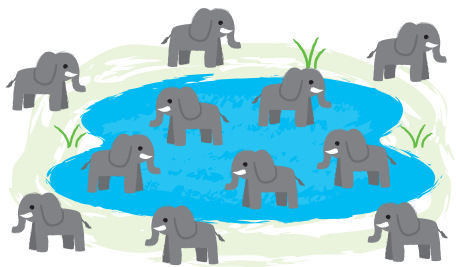

They are _____

Colour?

They _____

Anything
special?

_____ tongues.

3 Write it!

Now get into groups. Design a zoo and write about it.
Think of a name for the zoo. Then tell your classmates.
