Vicky and Roger are chatting online. Listen to the conversation and blacken the circles.

Vicky : Merry Christmas, Roger! How's your holiday in Toronto?

Roger: Merry Christmas to you too, Vicky! Toronto's great! It's snowing so it's perfect for winter sports. I'm really into them now. ❶ I've tried skiing and snowboarding.

Vicky : Nice to know that ❶ you had fun on the snow!*

Roger: What about you? How's Bangkok?

Vicky : It's boiling here! ❷ Today was 32 degrees Celsius, so we spent most of the day in shopping malls.* ❸ Mum and I bought a lot of things.

Roger: Like what?

Vicky : Let's see ... ❸ some dresses, a couple of necklaces and some mango snacks.

Roger: Sounds good!*

Vicky : ❹ I have to go now. Catch you later!

Roger: OK, ❹ chat soon!*
