Text 2 **A** Read the e-mail.

Date: 22/03/20XX
To: Jack Li
From: Kaito Aoki

Dear Jack,

I told you about my parents in my last e-mail. This time, I want to tell you about my sister Yoko.

Yoko and I are both eight years old. We are twins. At school, Yoko is in Class 3B and I'm in Class 3C. Yoko and I are very different. She's very active. She can play basketball, football, badminton and volleyball. But sports is not my cup of tea. I don't like PE lessons. I like music! I'm learning the djembe at the moment. Do you know what the djembe is? It's an African drum. You use your hands to play it, not drumsticks.

There is one thing that Yoko and I both like: Go. We play together on Friday nights. On Saturdays, we go to Grandpa's house. Yoko and I team up to play Go against Grandpa. He always wins, but we love playing with him.

Our 11-day spring holiday starts next Monday. I'm going to come to Hong Kong with my family! I can't wait to see you in person! I want to chat with you about your favourite singer.

Write soon.

Best wishes,
Kaito

Exciting School Events Coming Up!

By Miss Fong

Test Week is nearly over. We have three fun events coming up for everyone at school.

First, we have Games Day on 29th October. There are so many exciting things to do! For example, you can go in the tug-of-war or run in a three-legged race. Maybe you can win a prize! You can also bounce in a bouncy castle and visit the food stalls. It is going to be a wonderful day!

Second, Sports Day is on 13th November. Everyone can take part in the races or cheer for their friends. Last year, the highlight for me was the teacher-student relay. I can't wait to watch the race!

Finally, the Christmas concert is on 19th December. This is my favourite event! You can sing, play an instrument or perform in a band. After the performances, we will all sing Christmas carols together and everyone will get a gingerbread man. Merry Christmas!

Mark the dates down in your calendars and get ready to have lots of fun with your friends and teachers!
